The accompanying notes form part of these financial statements.

The General Purpose Financial Statements cover the economic entity of Greenwood Manor Pty Ltd ATF Greenwood Manor Family Trust NAPS 2370. Greenwood Manor Pty Ltd ATF Greenwood Manor Family Trust NAPS 2370 is a trust, established and domiciled in Australia.

The financial statements were authorised for issue on 23 October 2023 by the directors of the trustee company.

Note 1 Summary of Significant Accounting Policies

Basis of Preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations of the Australian Accounting Standards Board and International Financial Reporting Standards as issued by the International Accounting Standards Board. The Trust is a for-profit entity for financial reporting purposes under Australian Accounting Standards. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

(a) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in profit or loss.

Where the assets are not held primarily for their ability to generate net cash inflows – that is, they are specialised assets held for continuing use of their service capacity – the recoverable amounts are expected to be materially the same as fair value.

Where it is not possible to estimate the recoverable amount of an individual asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Where an impairment loss on a revalued individual asset is identified, this is recognised against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that class of asset.

(b) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Property

Freehold is carried at cost.

Plant and equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment. In the event the carrying amount of plant and equipment is greater than the estimated recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount and impairment losses are recognised in profit or loss. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1(h) for details of impairment).

The cost of fixed assets constructed within the company includes the cost of materials, direct labour, borrowing costs and an appropriate proportion of fixed and variable overheads.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the financial period in which they are incurred.

Depreciation

The depreciable amount of all fixed assets, but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Motor Vehicles	18.75– 18.75%
Plant and equipment	7.5 – 100%
Other	7.5 – 100%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss when the item is derecognised. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

(c) Employee Benefits

Provision is made for the Trust's obligation for employee benefits. Employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service. Employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The trust's obligations for employee benefits such as wages, salaries and sick leave are recognised as part of current trade and other payables in the statement of financial position.

(d) Provisions

Provisions are recognised when the trust has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(e) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

(f) Revenue and Other Income

Revenue comprises Interest Income, Commonwealth Subsidies and Resident Charges received by Greenwood Manor Pty Ltd ATF Greenwood Manor Family Trust NAPS 2370.

Interest income is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

All income is stated net of the amount of goods and services tax.

(g) Trade and Other Receivables

Trade and other receivables include amounts due from customers for goods sold and services performed in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(h) Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the entity that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

(i) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of assets that necessarily take a substantial period of time to prepare for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

(j) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

(k) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

Where the trust retrospectively applies an accounting policy, makes a retrospective restatement of items in the financial statements or reclassifies items in its financial statements, a third statement of financial position as at the beginning of the preceding period, in addition to the minimum comparative financial statements, is presented.

(l) Critical Accounting Estimates and Judgements

The trustees evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the trust.

(m) New and Amended Accounting Policies Adopted by the Trust

There are no new or amended accounting standards which had an impact on the trust during this reporting period.

Note 2 Revenue and Other Income

The trust has recognised the following amounts relating to revenue and other income in the statement of profit or loss:

	Note	2023 \$	2022 \$

(b) Intangible Assets

	2023	2022
	\$	\$
Bed Licences at cost	7,898,400	7,898,400
Net carrying value	<u>7,898,400</u>	<u>7,898,400</u>

At each reporting date, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

In the May 2021 Federal Budget the Australian Government announced that Aged Care Bed Licences would be discontinued from 1 July 2024. As at the 30 June 2023 it was decided no impairment would be provided for however this will be reviewed annually to the date Bed Licences will be discontinued.

Note 8 Investment

Current

Provision for employee benefits

Provision for employee benefits represents amounts accrued for annual leave and long service leave.

The current portion for this provision includes the total amount accrued for annual leave entitlements and the amounts accrued for long service leave entitlements that have vested due to employees having completed the required period of service. Based on past experience, the trust does not expect the full amount of annual leave or long service leave balances classified as current liabilities to be settled within the next 12 months. However, these amounts must be classified as current liabilities since the trust does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlement.

Reconciliation of profit attributable to beneficiaries with net cash provided by operating activities

– Profit for the year

Adjustment for:

– Depreciation

– Finance Costs

Movements in working capital:

– Decrease in trade and other receivables

– Decrease in provisions

– Increase in trade and other payables

Net cash generated by operating activities

a. Loan facilities

The Trust has a Bank Overdraft Facility amounting to \$95,000 (2022: \$95,000). This may be drawn upon at any time, and terminated at any time at the option of the bank. At 30 June 2023, \$0.00 of this facility was used (2022: \$0.00). Interest rates are variable.

Note 13 Events After the Reporting Period

COVID-19 - On the 11th March 2020, the WHO (World Health Organisation) declared COVID-19 to be a global pandemic. Although Governments around the world including the Australian Commonwealth, State Governments and Territories and the private sector have implemented various measures to contain the spread of the virus, the impact on Aged Care remains. As with many Aged Care Providers, keeping Residents and Staff safe continues to be the primary objective at any cost. The most significant financial burden continues to be the additional Labour Costs and PPE. The Directors are uncertain as to the overall financial impact of the ongoing pandemic conditions. However, the impact has been material and will continue to impact the 2024 financial year results if outbreaks continue. No adjustments have been made to the 2023 financial statements to reflect any adjustments to carrying value.□

Note 14 Related Party Transactions

The trust's main related parties are as follows:

a. Key Management Personnel:

The directors of Greenwood Manor Pty Ltd, being the trustee company of Greenwood Manor Family Trust, have the authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, and are considered key management personnel (KMP) of the trust. Directors during the year were:

Brett McMahon

Neville Chapman

b. Other related parties

Other related parties include close family members of KMP and entities that are controlled or jointly controlled by those KMP, individually or collectively with their close family members. The other KMP that are family members are remunerated by Trust Distributions not Salary or Wage.

Transactions with related parties

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

The following transactions occurred with related parties:

		2023	2022

Total financial liabilities		<u>3,789,910</u>	<u>3,785,382</u>

Financial Risk Management Policies

Given the investment nature of the trust's operations, the directors of the trustee company do not consider that the trust is exposed to any significant financial risks. Notwithstanding this, the trustees monitor the trust's financial position and liquidity on a monthly basis.

The main risks the trust is exposed to are liquidity risk, government policy, funding and regulations. There have been no substantive changes in the types of risks the trust is exposed to, how these risks arise, or the trustees' objectives, policies and processes for managing or measuring the risks from the previous period.

The Trust does not have sophisticated financial instruments, and invariably fair value is equivalent to carrying amount as presented in these financial statements.

Note 16 Trust Details

The registered office of the trust is C/-McMahon Fearnley, 254-256 Queens Street, Melbourne Vic 3000.

It's principal place of business is 52 Centre Dandenong Road, Dingley VIC 3072.

The approved provider delivers only residential aged care services and this GPFR therefore relates only to such operations.

GREENWOOD MANOR PTY LTD ATF GREENWOOD MANOR FAMILY TRUST NAPS 2370
ABN: 37 168 539 300
DIRECTORS' DECLARATION

In accordance with a resolution of the directors of Greenwood Manor Pty Ltd ATF Greenwood Manor Family Trust NAPS 2370, the directors of the trustee company declare that:

1. the financial statements and notes, as set out on pages present fairly the unit trust's financial position as at 30 June 2023 and its performance for the year ended on that date in accordance with Australian Accounting Standards; and
2. in the director's opinion there are reasonable grounds to believe that the trust will be able to pay its debts as and when they become due and payable.

Director

Brett McMahon

Dated this 23rd day of October 2023

GREENWOOD MANOR PTY LTD ATF GREENWOOD MANOR FAMILY TRUST NAPS 2370
INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF
GREENWOOD MANOR PTY LTD ATF GREENWOOD MANOR FAMILY TRUST NAPS 2370

Opinion

We have audited the financial report of Greenwood Manor Pty Ltd ATF Greenwood Manor Family Trust NAPS 2370, which comprises the statement of financial position as at 30 June 2023, the statement of profit or loss and comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements comprising a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of Greenwood Manor Pty Ltd ATF Greenwood Manor Family Trust NAPS 2370:

- (i) gives a true and fair view of the trust's financial position as at 30 June 2023 and of its financial performance for the year then ended; and
- (ii) complies with Australian Accounting Standards (including Australian Accounting Interpretations).

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the trust in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion

Information Other than the Financial Report and Auditor's Report Thereon

The trustees are responsible for the other information. The other information comprises the information included in the trust's annual report for the year ended 30 June 2023, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the trustees for the Financial Report

The trustees are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and for such internal control as the trustees determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the trustees are responsible for assessing the trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the Trust or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

GREENWOOD MANOR PTY LTD ATF GREENWOOD MANOR FAMILY TRUST NAPS 2370
INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF
GREENWOOD MANOR PTY LTD ATF GREENWOOD MANOR FAMILY TRUST NAPS 2370

We communicate with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
